ABOUT LOCATION

"Ranczo u Stacha" (also known as "Łowisko Szpruch") is located 35 km from the heart of Warsaw. It is surrounded by forests and rearing ponds. On the premises covering 24 hectares, there are two buildings with the joint area of about 1600 m², bathrooms, a barbecue and a place for a bonfire. There is also a possibility of pitching a tent and organizing big, outdoor events. You can go fishing in the ponds (the joint area of 3 hectares) for freshwater fish (for example carps, crucians, pikes or eels); fishing stations are prepared for anglers.
